More for the Teams followers/spectators (parents and friends of competitors) we have a lot of surprises completely free of charge, in fact we are organizing during the Unified World Championships in another big pavillon of the fair complex also a lot of shows about Japan, China, Thailand, Vietnam countries with artists coming directly from these countries and the followers of competitors will enjoy their time during the days.

**AIRPORTS INFO:** The best airport is **PISA INTERNATIONAL AIRPORT**. It is the closest airport to the town of Marina di Carrara (the town of the Unified World Championships). It is just 30 minutes far from! And on Pisa you can find many low cost flight companies so you can find very chipper prices from England to Pisa and return. The other good airport is Firenze (Florence) 1 hour far from Marina di Carrara. Or Genova (Genoa) always 1 hour far from Marina di Carrara. Or Bologna (Bologne) Airport 2 hours far from Marina di Carrara. Or Milano (Milan) Airport, 3 hours far from Marina di Carrara.
